Student & Caregiver Agreement

Free Wheeler Virtual Cycling Programme

1. About the Programme

The Free Wheeler bike league Programme gives students the chance to take part in indoor cycling challenges using Wattbikes and the MyWhoosh platform.

---

2. Consent

By signing this form:

- The student agrees to take participate in the Free Wheeler pilot
- The caregiver gives permission for their young person to participate in the Free Wheeler pilot
- You understand that:
    - The programme involves physical activity
    - A digital platform (MyWhoosh) will be used
    - Some information may be collected to help improve the programme

---

3. Student Responsibilities

Students agree to:

- Follow all instructions from school staff
- Use the equipment safely
- Stop exercising if they feel unwell or uncomfortable
- Treat equipment with care
- Be respectful when using MyWhoosh
- Not share personal information online
- Tell a teacher if something doesn’t feel right (physically or online)

---

4. Caregiver Responsibilities

Caregivers agree to:

- Support safe participation in the programme

- Encourage balance with other activities to avoid overtraining
- Let the school know about any health concerns
- Support safe and respectful online behaviour

---

5. School Responsibilities

The school will:

- Provide a safe environment
- Support students to use equipment and platforms safely
- Respond to any issues or concerns

---

6. Health and Safety

- Any injury or concern should be reported straight away
- Equipment must not be used if unsafe

---

7. Using MyWhoosh

- MyWhoosh is a third-party platform with its own rules
- Students may interact with people outside their school
- Students must behave respectfully and safely
- Personal information must not be shared

---

8. Data and Privacy

- Some information may be collected to support the programme
- This will be stored securely and used appropriately
- Data will be anonymised where possible

---
