Memorandum of Understanding (MoU)

Between Sport Waikato and [School Name]

Freewheeler Virtual Cycling Programme

1. Purpose

This MoU outlines how Sport Waikato and [School Name] will work together to deliver the Freewheeler Virtual Cycling Programme.

The programme gives students access to virtual cycling using Wattbikes and the MyWhoosh digital platform, with the goal of supporting student wellbeing, engagement, and positive movement experiences for rangatahi.

---

2. What We're Aiming to Do

Together, we aim to:

- Provide a safe and enjoyable sporting experience for students
- Lower barriers to participate and the burden of school sport administration
- Support student wellbeing and participation in physical activity
- Trial new ways of delivering sport using technology
- Learn from the programme to improve future delivery

---

3. Roles and Responsibilities

The School will:

- Support inclusive student participation in the programme
- Actively promote the Freewheeler programme to their rangatahi
- Obtain consent from students and caregivers before participation
- Take full responsibility for all students involved in the programme, including their safety, behaviour, and wellbeing
- Ensure students use equipment safely and follow guidance
- Store equipment securely and report any damage or faults to Sport Waikato as soon as possible
- Deliver Freewheeler program in line with agreed guidance
- Monitor student participation and report any incidents or concerns

The school will also ensure that:

- Students balance this programme with other commitments to avoid overtraining or fatigue
- Students behave appropriately online and do not share personal information
- Any concerns about student wellbeing (physical or digital) are managed appropriately, aligned with school policies and procedures

Sport Waikato will:

- Provide Wattbike equipment (as agreed)
- Provide access to digital platforms such as MyWhoosh
- Provide the 8-week pilot league programme (by way of email)
- Support the school with onboarding, training, and guidance
- Provide basic technical support where needed
- Collect and analyse agreed programme data
- Share insights and learnings with the school

---

4. Using Digital Platforms (MyWhoosh)

Students will use MyWhoosh, a third-party platform that may involve interaction with users outside the school.

The school is responsible for:

- Ensuring appropriate student use of the platform
- Supporting safe and respectful online behaviour
- Managing any issues that arise

All users must follow the platform's terms and conditions Terms and Conditions: Your Guide to Virtual Cycling with MyWhoosh

Sport Waikato is not responsible for interactions that take place on third-party platforms.

---

5. Health and Safety

This programme involves physical activity.

The school is responsible for:

- Ensuring students are safe to participate
- The schools health and safety policies and procedures are followed
- Making sure students understand how to use equipment correctly
- Ensuring students stop if they feel unwell or unsafe
- Encourage balance with other activities to avoid overtraining

---

6. Data and Privacy

Some data will be collected to help deliver and improve the programme.

- Data will be stored securely and used only for programme purposes
- Data will be anonymised where possible
- Sport Waikato will communicate directly with participants via email

The school is responsible for:

- Ensuring appropriate consent is obtained from students and caregivers
- Making sure students understand how their data is used

---

7. Equipment

The school is responsible for:

- Day-to-day care and safe use of equipment
- Secure storage
- Reporting any issues

---

8. Liability

- The school is responsible for monitoring students and managing their safety and wellbeing

---

9. Timing

This agreement runs from [Start Date] to [End Date].

---

10. Review

- Sport Waikato will check in regularly with schools and review the programme

---

11. Agreement

By signing, both parties agree to work together in line with this MoU.
